Z:\ADMIN\General\Letters of Recommendation\0003 Dual Construction.docx

This serves to confirm that we have worked with **Dual Construction** in the past and confirm that their quality of work is of a very high standard, as well as their managing skills and quality control on site.

The project they have done for us was completed timeously and has been of a good standard. They have always been willing to accommodate the Client with changes and sequence of how they require the work to be carried out.

It is always a pleasure to work with them.

Yours faithfully
